North England & Scotland

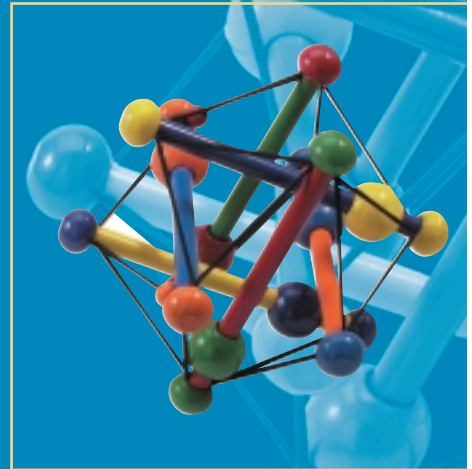

No-one makes toys like Manhattan Toy. Combining exceptional quality with innovative designs and an extra dash of imagination, they're terrific to play with and promote creativity and imagination too. Now we're looking for a top-notch sales professional who shares our passion for excellence to play a key part in our future success.

Achieving targets by forging strong relationships with retailers, you'll tell them all about our award-winning products and advise on aspects like merchandising and promotions. We'll also expect you to identify - and seize - fresh business opportunities while preparing accurate reports for senior management.

It's an exciting opportunity for a highly motivated self-starter who can add a degree-level education to an impressive track record selling high value consumer products. A superb presenter and dedicated team player, you will also be IT literate.

Make no mistake, the rewards will be all you would expect from a forward-thinking company. So make sure you don't miss out on all the fun.
